

GDL651 FS SmartWay Verified

New high mileage, closed-shoulder drive tire designed for long haul service, providing long tread life and retreadability.

Features

Special fuel saving compound with low heat generation

Four zigzag longitudinal groove design

Continuous shoulder rib design

Optimized block ratio

Enhanced groove wall angle and tie bar

Benefits

- ▶ Lower rolling resistance and higher fuel economy
- ▶ Excellent traction and driving stability
- ▶ Improved mileage and high speed performance and prevents irregular shoulder wear
- ▶ Helps prevent irregular wear
- ▶ Helps protect from stone retention and casing damage
